

# Overdose Response & Rescue Training

3:30 p.m.-4:30 p.m.  
Thursday, June 11, 2026

Join New Mexico Department of Health for a **FREE 1-hour, virtual** Overdose Response & Rescue Training. Learn how to recognize an overdose, respond safely, and save a life.

In this training you will learn:

- How to recognize the signs of an overdose.
- Administration of nasal Naloxone (Narcan) in an emergency and where to obtain it.
- How overdoses happen.

A naloxone kit will be mailed to participants after the completion of the training.
